Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Thursday 21 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Feeling colder with sunny spells.

Today:
A clear and cold start with sunny spells throughout the day. Remaining largely dry during the afternoon but with a chance of a few wintry showers in the west. Feeling cold with strong winds easing through the day. Maximum temperature 7 deg C (45 deg F).

Tonight:
Through the evening and overnight it will remain dry across the region with clear skies. A cold night with a frost. Minimum temperature -2 deg C (28 deg F).

Friday:
A frost to start. Sunny spells throughout the day and remaining largely dry but with a chance of an isolated wintry shower in the west. Feeling cold with light winds. Maximum temperature 6 deg C (43 deg F).

Outlook for Saturday to Monday:
Dry with sunny spells on Saturday. Cloudier on Sunday with a risk of rain and snow. Wintry showers on Monday. Feeling cold throughout with a risk of icy stretches.
